INDEPENDENT LIVING FOUNDERS PLAN

When you become a resident of Maranatha Village under the Founders Plan, you are securing a “qualified lifetime tenancy.” You are entitled to live in the unit as long as you are able to do so safely. The living unit does not become a part of your estate as you are purchasing tenancy of a living unit and not the living unit itself.

OPTION 1

PAYMENT OF THE FOUNDERS FEE IN FULL

Under this option, the resident pays the Founders Fee in full upon admission. Monies would be refunded to resident or resident’s estate based upon a declining scale, if the resident occupies the unit less than 8 years. Following 8 years of occupancy, the resident or estate of the resident is guaranteed a 10% refund of the original entrance fee at the time the living unit is vacated. This refund is only available to those residents that pay the entry fee in FULL upon admission.

OPTION 2

25% DOWN PAYMENT OF THE FOUNDERS FEE

Under this option, the resident pays 25% of the Founders Fee upon admission. Maranatha Village then provides financing for the remaining 75%. Financing can be arranged over a 10-15 year period at a rate of 6.5% interest.

With each option of the Founders Plan a monthly Community Fee of \$530 will be incurred. The monthly Community Fee helps provide the amenities listed in this information packet.

Funds paid to Maranatha Village under the Founders Plan become the property of Maranatha Village subject to the terms of the respective contracts.

INDEPENDENT LIVING RENTAL PLAN

Maranatha Village has many varied styles of independent living units available for lease for the term of one year. Thereafter the lease may be renewed on a yearly basis. These units may be secured through the Rental Plan with a security deposit equal to one month's rent. The deposit secures the residence you have selected and provides security for the performance of the agreement. A (60) day written notice is required should a resident select to vacate the living unit.
